

FREMANTLE FOOTBALL CLUB DONATION REQUESTS

The Fremantle Football Club donates a range of promotional material to a wide cross section of the community.

Currently, the club donates material to sponsors, club aligned charities, schools, junior football clubs, WA Football Development Trust, hospitals and other community organisations as prioritised.

The club has a limited amount of promotional material available to service the large number of requests it receives each year.

As outlined above, the majority of our donations are directed towards community service organisations, schools or hospitals.

CRITERIA

The Fremantle Football Club is endeavouring to create more programs in community relations that utilise donations as an incentive/enhancement of the program. Therefore, we adhere to the following criteria:

1. Direct interaction with children.
2. Maximum number of children influenced by donation.
3. Publicity opportunities.
4. Individual requests will not be considered.

AUTOGRAPHED MATERIAL

Autographed material will not be donated. Organisations wishing to access autographed material are invited to attend the open training nights at Fremantle Oval (2010 dates to be advised) where players are available to sign autographs where possible.

AVAILABILITY

During the off-season (October-February) requests for donations are generally not able to be serviced.

If you feel that your request falls within all the guidelines outlined, please complete the attached request form.

Please be aware that even if your request meets the criteria outlined there is no guarantee that your request will be able to be serviced.

DONATION REQUEST FORM

ORGANISATION / PERSON APPLYING FOR DONATION:

NAME: _____

ORGANISATION: _____

ADDRESS: _____

PHONE (H): _____ WORK: _____ MOBILE: _____
