# CAPTAIN'S MESSAGE

The feeling I get the moment before running out on to the ground for the first bounce is exhilarating.

Every member of the team feels it, and every time we run out to play we are enormously proud to be representing your club.

It's the challenge and the thrill of going into battle not just for the team but for our proud, loyal and passionate members as well.

The desire to achieve sustained success drives every member of the Fremantle playing group.

The highly valued support we receive from each and every member is crucial to achieving that goal for your club.

There is much to look forward to in season 2010.

The return of young gun Rhys Palmer, the dominance of Aaron Sandilands, the dash of Paul Duffield and the next exciting phase in the careers of 2009 debutants Stephen Hill, Nick Suban, Greg Broughton and Hayden Ballantyne.
